**IX International Scientific Conference
CURRENT ISSUES IN RESEARCH, CONSERVATION AND
RESTORATION OF HISTORICAL FORTIFICATIONS**

We are pleased to invite you to participate in the XIX International Scientific Conference “Current Issues in Research, Conservation and Restoration of Historical Fortifications”, which will take place in Lviv (Ukraine) and Chelm (Poland) in June 12-16, 2017.

The Conference aims:

- the discussion of current issues in research, conservation and restoration of historical fortifications and suggestions for their solution;
- the networking in the field of historic fortifications protection.

The Conference program includes plenary sessions (please limit your report up to 20 minutes) and excursions.

To participate in the Conference you should fulfill the application form and send it at: rams.poly@gmail.com

The Conference working languages are: Ukrainian, Polish, English.

You can apply until April 1.
